

A Guide for International Student Admission –Master Program

I. Brief Introduction

Lasting for three years, the master program is taught in Chinese. Master's degree and graduation certificates are awarded to those who have finished all the required courses, got enough credits, passed thesis defense and met with other necessary requirements .

II. Qualification for admission

The applicant should be a non-Chinese citizen with a valid passport and a bachelor's degree or evidence of its equivalent under the age of 40, be in good health and have an HSK certificate (level 4 or above) or the equivalent, obey Chinese laws as well as the school rules and respect Chinese customs.

Please refer to the attached list to find a suitable major.

NB: All international students applying for master programs could study at Capital University of Physical Education and Sports (CUPES) for one year as a preppy if their proficiency of Chinese has not reached the admission requirement for professional learning.

III. Application Procedure

Applicants shall log on <http://sie-lb.cupes.edu.cn/> and download CUPES Application Form for international students, fill in it and then submit it together with other application documents to School of International Education in CUPES: (1)by email to sie-zhaosheng@cupes.edu.cn; (2) by posting documents or asking someone to hand in.

Document Details:

1. CUPES Application Form for International Students (download online, print and fill in, attach a photo and sign by the applicant and the guarantor);
2. Undergraduate graduation certificate and transcripts (those who are still studying need to hand in an expected graduation certificate and replace it with official undergraduate graduation certificates after graduation);
3. Study plan;
4. HSK (Chinese Proficiency Test) grade 4 Certificate and transcripts or evidence;
5. Two professors' or associate professors' recommendation letters with signature;
6. Passport home page;
7. Soft copy of passport photos (5 hard copies are needed for registration);
8. Foreigner Physical Examination Form;
9. Registration fee RMB 500;
10. Articles or Papers Written or Published if available;
11. If you are studying in China, please attach a transfer letter or a copy of the completion certificate;

★ If no special requirement, all above documents are required to submit original or notarized

★ Application documents should be submitted in English or Chinese

★ Registration fee and application documents are non-refundable

IV. Application schedule

The application begins every year in January. Application documents must be submitted before June 15.

V. Evaluation method

HSK scores, application documents, interviews, etc.

VI. Admission Notice

Every year at the beginning of July, the applicants may inquire for admission status and scholarships assessment results via email or phone call to the school of International Education in CUPES.

Admission Notice and Visa Application for Study in China (JW202) will be issued to the admitted applicants in early July.

VII. Visa application and Registration

The admitted applicant should bring the Passport, the original copies of Admission Notice, Visa Application (JW202), and Foreigner Physical Examination Form as well as Blood Test Record to the Embassy or Consulate of the People's Republic of China in their home country, and apply for a student visa (X1 visa or X2 visa). The student shall come with the above documents to School of International Education in CUPES for registration before the deadline indicated on the Admission Notice.

VIII. Scholarships

To encourage and subsidize international students with good academic performance and well complete their studies, CUPES provides several scholarships for them:

- 1) Chinese Government Scholarship-Bilateral Program
2) Chinese Government Scholarship-Chinese University Program
Apply online: <http://www.csc.edu.cn/studyinchina>
2. Beijing Government Scholarship
Apply to CUPES directly.

IX. Accommodation

If the student plans to live in International Student Residence Hall, please download and fill out the application form for accommodation to book in advance. In addition, international students can also live off campus, but must go to the local police station to register within 24 hours after arrival.
